

**A guide to your
video-interview.**

The Interview Page

Let's go

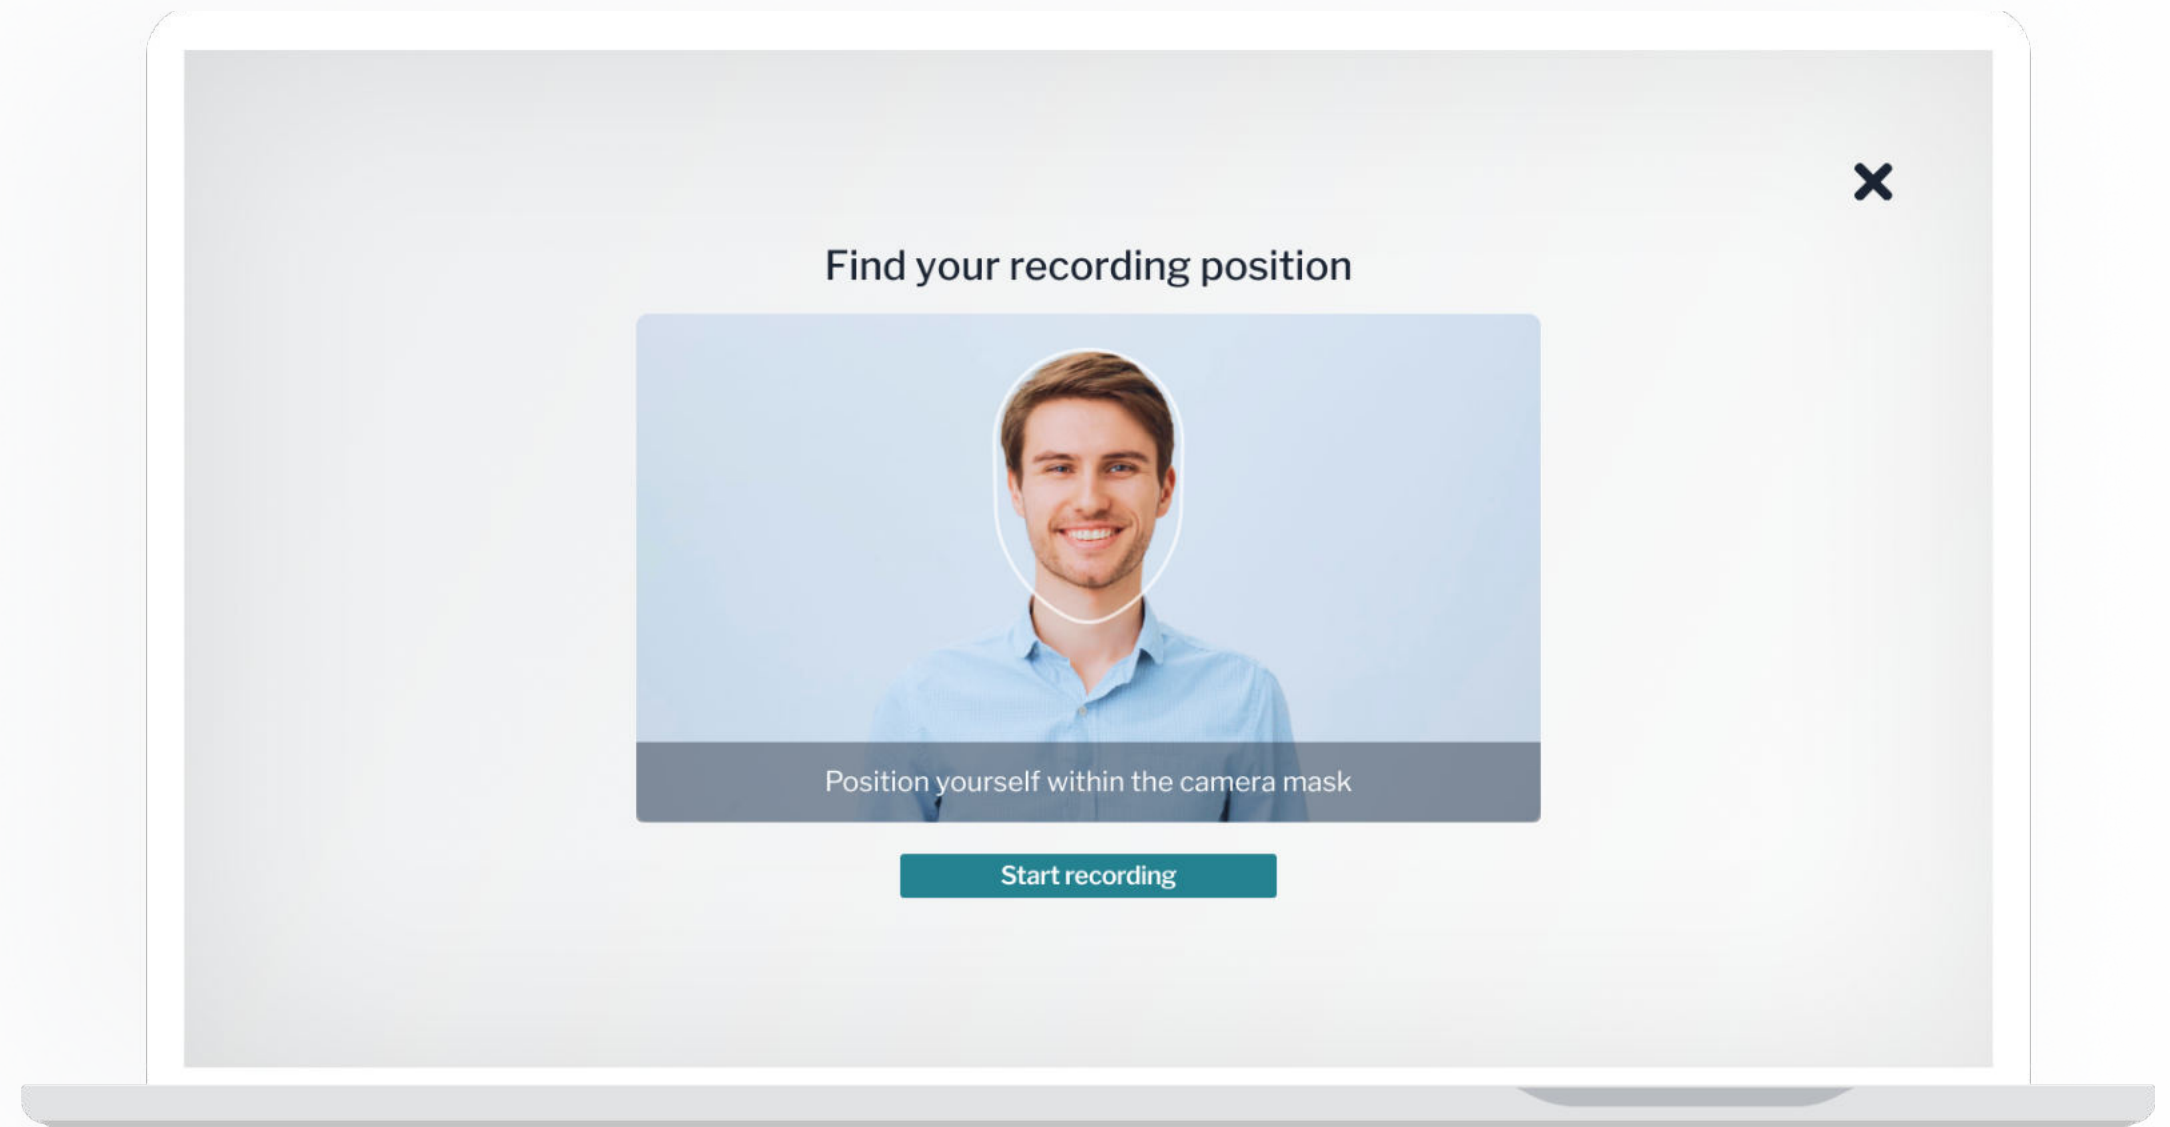

Via email you received a link for the interview. You can open that link on your web browser. You can use the „Start Interview“-Button at any time to begin.

Your recording position

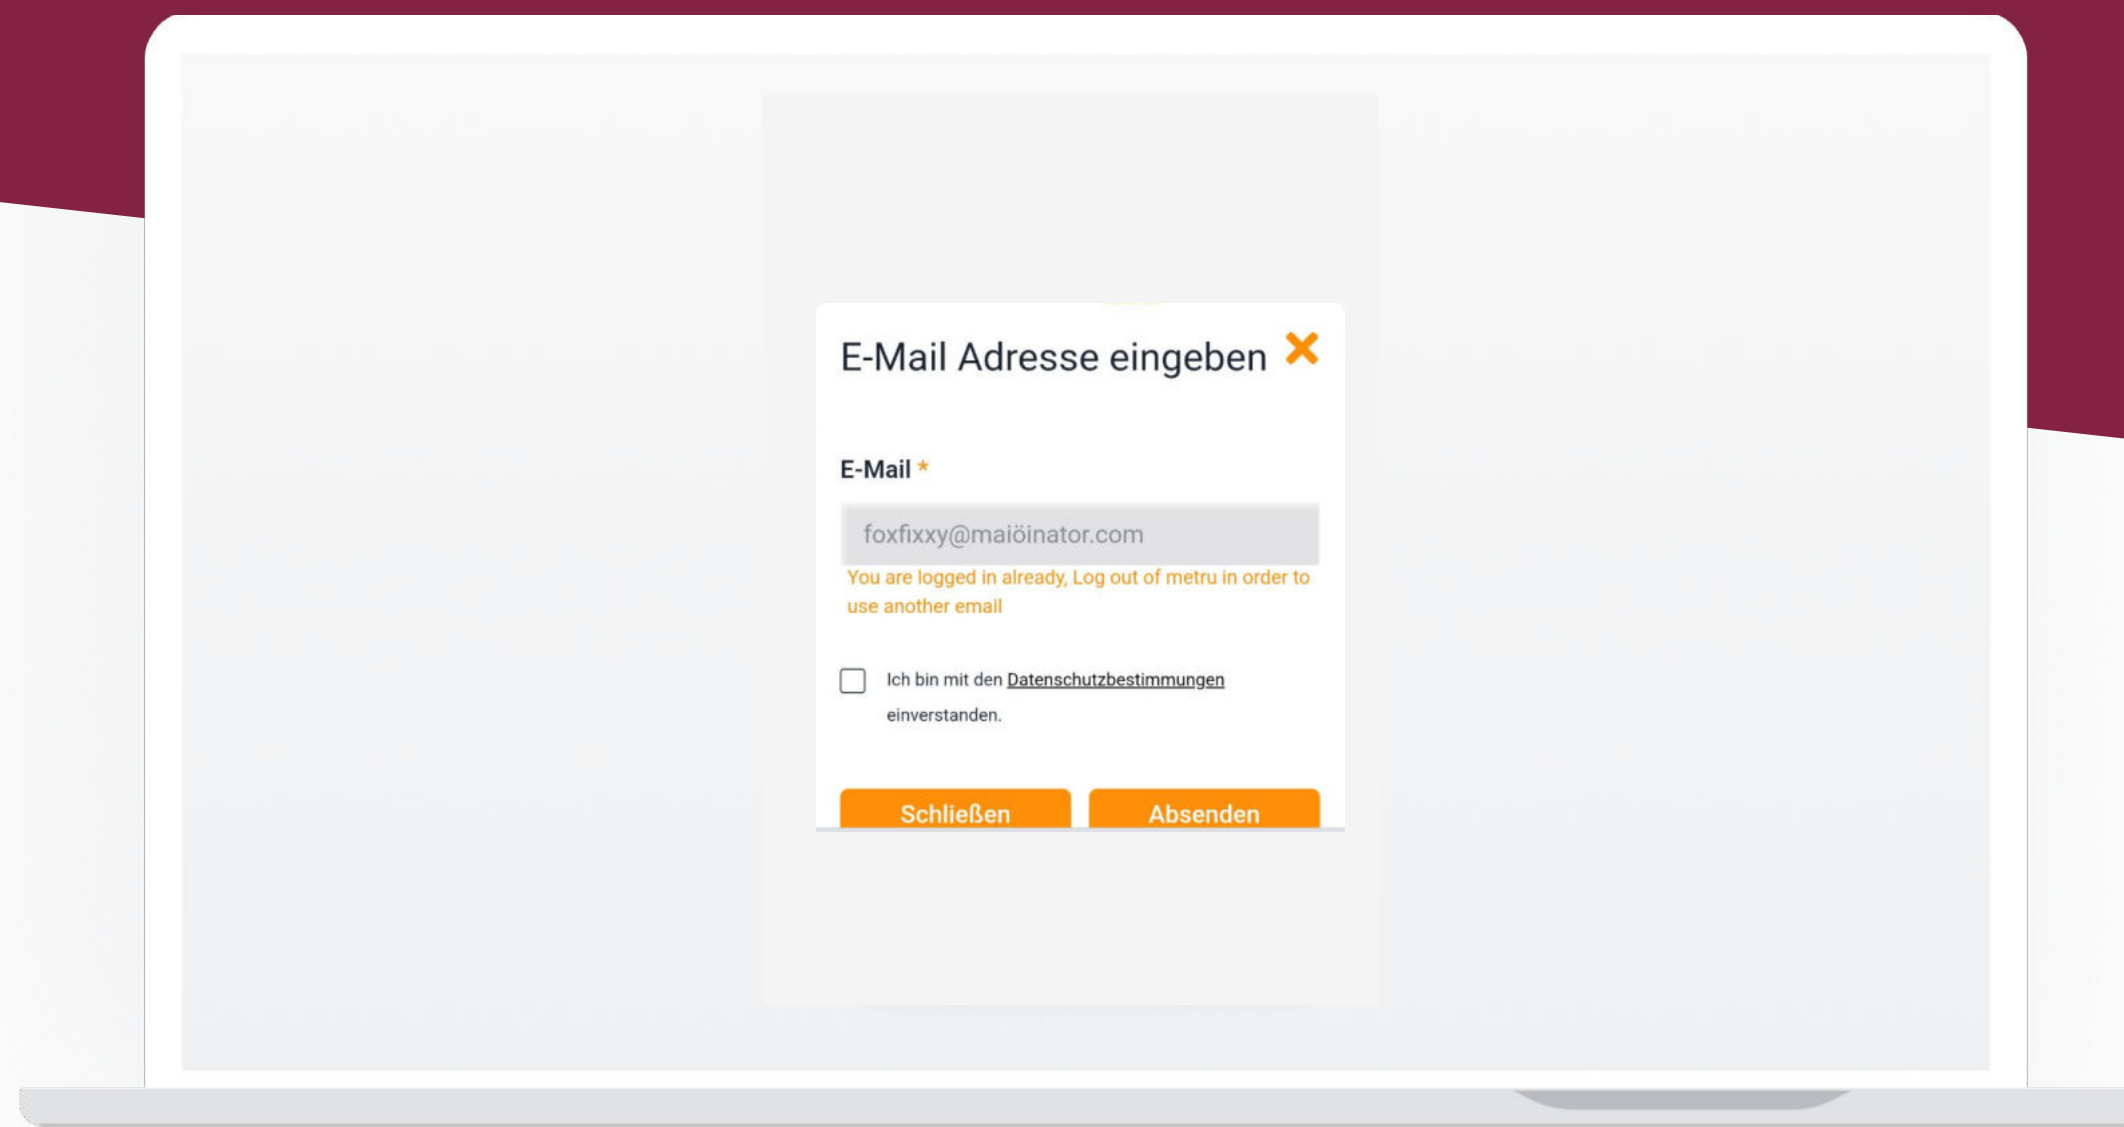

What shall I care about?

- Light – Not against, record with the sun
- Location – Clean, simple recording background
- Sound – Start the interview in a quiet environment
- Internet – A stable internet connection is required

Your approval

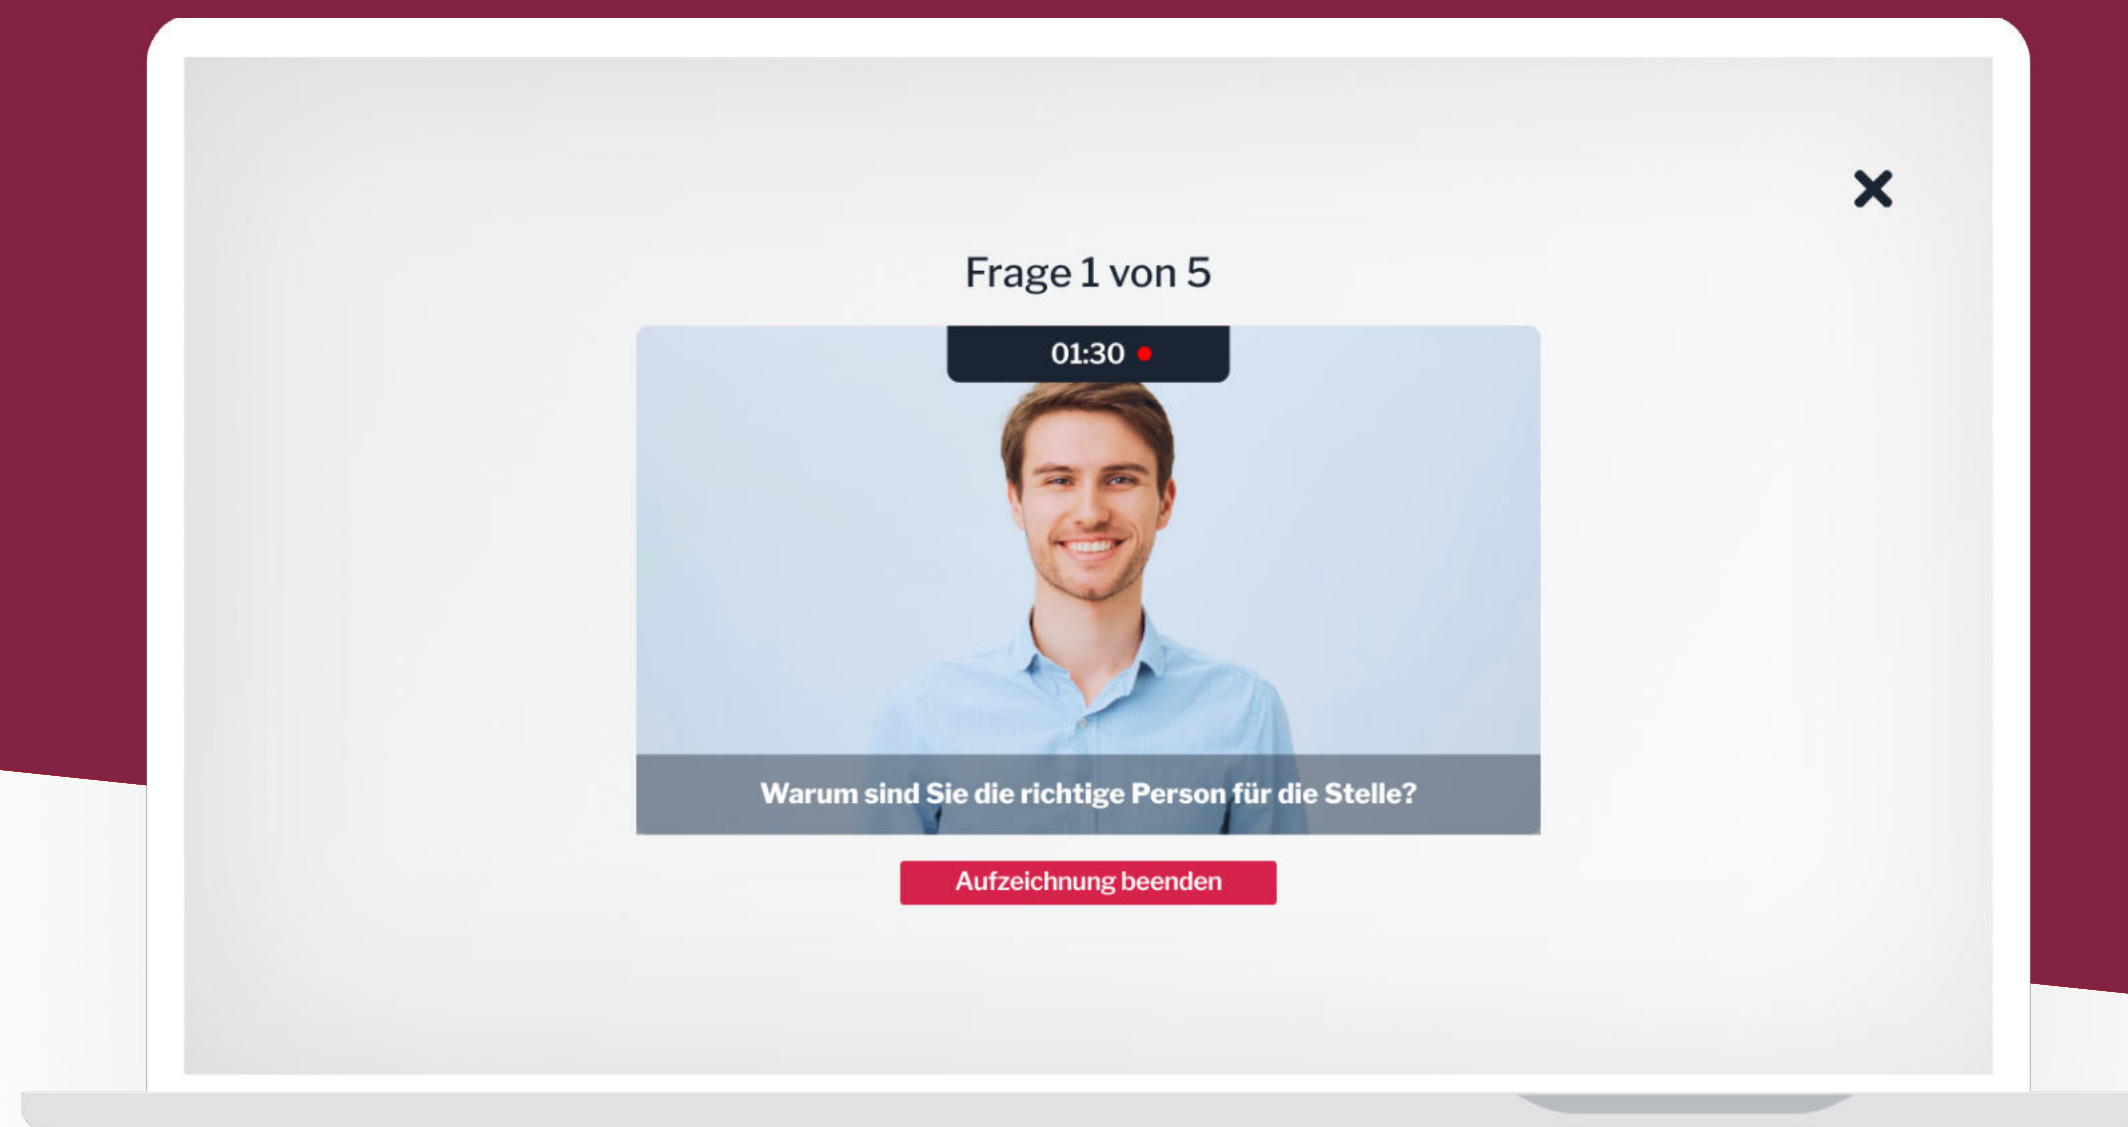

- To continue, approve the usage of the camera and the microphone.
- We need your e-mail address, to connect your answers to you.

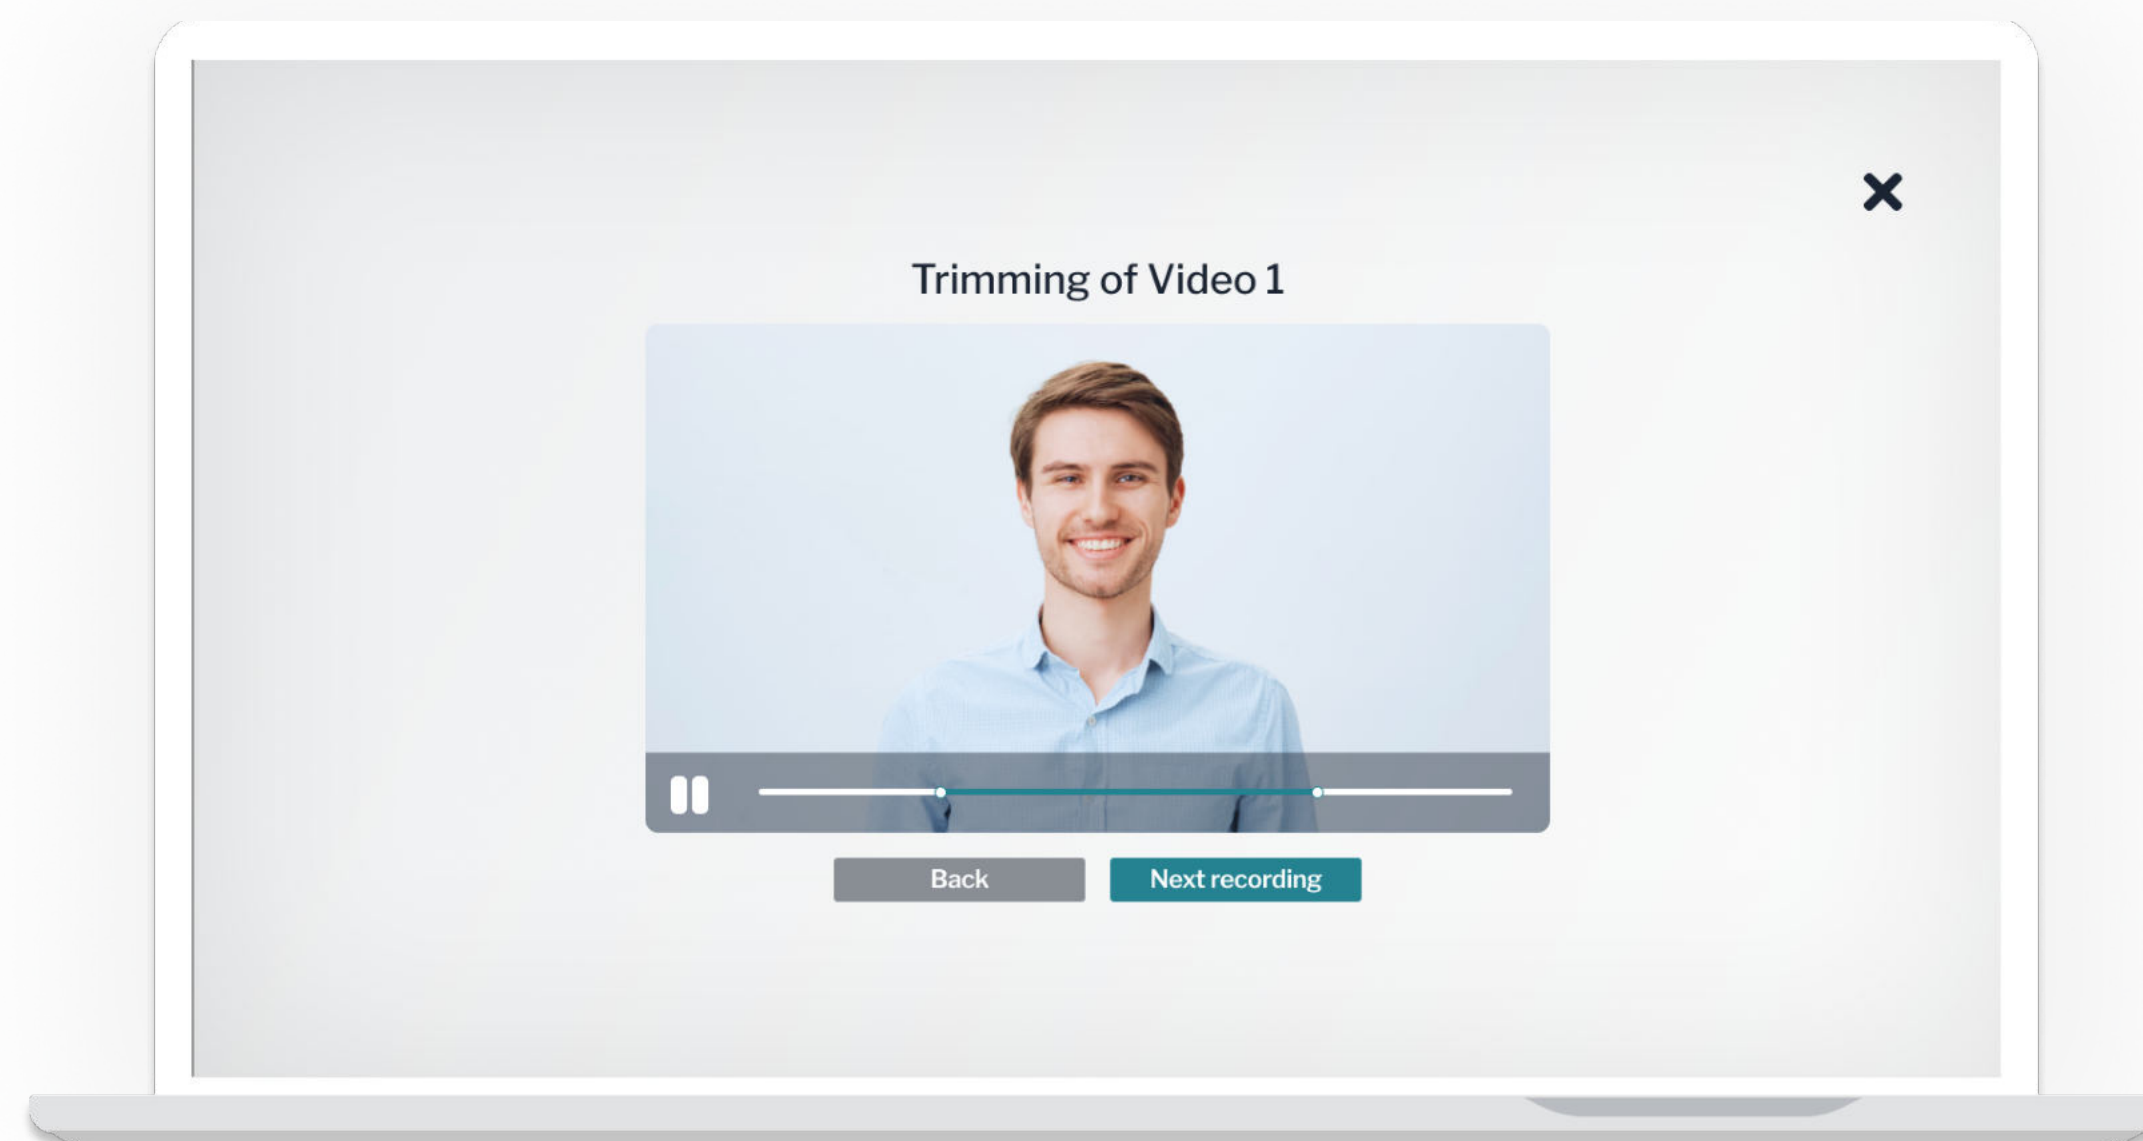

Record your video answers

How does the interview work?

When you are satisfied with your recording position, you start the interview. A video question is displayed. Then the recording starts automatically after a countdown of 5 seconds. Depending on the question, you have 30 seconds to 3 minutes to answer. If the first attempt does not work, you have another try.

Edit your interview answers

Trim your video

Once you're done with the recordings you can trim them. E.g. to cut the start and the end.

Your application information

Before we send the interview,

You will be asked to enter the following information: Firstname, Lastname, email as well as password. Before we send the interview, We need these to provide your interview and to secure your privacy.
